۲	<p>متن زیر را به دقت بخوانید و با توجه به آن به سوالات زیر پاسخ دهید.</p> <p>Social medias are different from traditional media. In the past, media were created from one place, normally a company. Then the company would send out the media to people. Magazines, books and movies are all examples of this. But with social media, many people in different places create content. Another difference is that people who create content in social media do not need very special skills. On the other hand, in traditional media, people need special skills to create something.</p> <p>Another difference is that social media can be created much faster. It takes only a few minutes to write a twitter post, for example. But it can take many months to put together a magazine, or years to make a movie. Some people think social media are good and useful and some think they are bad. No matter what you might think, social medias are here to stay and millions of people use <u>them</u> every day.</p> <p>60. Magazines are types of social media. True False</p> <p>61. You need special skills to create traditional media. True False</p> <p>62. The underlined word “them” in the last line refers to.....</p> <p>63.
