9	**Read the text carefully and answer the questions.** **The Persian Leopard** The Persian leopard is a beautiful and strong animal. It lives in different parts of Iran, like forests and mountains. This leopard has a yellow coat with dark spots. It can run very fast and is a good hunter. Unfortunately, the Persian leopard is an endangered animal. There are only a few hundred of them alive in the wild. Why is this happening? People are destroying their natural homes. They cut down trees for wood and build roads through the forests. Sometimes, hunters hurt or kill these leopards too. But there is hope. Many people in Iran want to save the Persian leopard. They are going to protect its home in the nature. They will make new rules to stop hunting. They also teach children about this amazing animal. If we all work together, the number of Persian leopards will increase in the future. We must not let this wonderful animal die out. **Choose the best answer based on the text.** **Part A: Multiple Choice** 1. Where does the Persian leopard live? a) In deserts and plains	**4**
