The – a – its = noun markers

---

***N: Read the passage carefully then answer the questions. (2 points)***

One easy way to protect wildlife is learning about the endangered animals that live around you. Teach your friends and family about the wonderful birds, fish and plants that live near your home. In this way, they are going to be more careful about nature. You can also visit a national wildlife museum or park. ***These*** places give good information about how to protect endangered animals and their homes. You can do voluntary work in these places to help animals.

Another thing you can do is protecting the natural home of the endangered animals. When you keep nature clean and safe, the animals will live longer. Protecting the trees of forests is also helpful. If you live in a village, you need to be very careful about the hunters who come to your village to hurt animals. Whenever you see these people, you need to call the police. These are simple things, but they will help nature a lot.

1/ When we keep nature clean and safe, wild animals will die out. A) true B) false

2/ Protecting the trees of forests is also useful. A) true B) false

3/ What does “these in paragraph 1 line 4 refer to? National wildlife museum or park

4/ What should we do when we see that a hunter is hurting animals?

When we see that a hunter is hurting animals, we should call the police.

***Good luck my dears***
